LEBLOND LATHE SERVICE BUSINESS SALE

ASSETS:

CUSTOMER LIST LeBlond lathe owners (20,000+ customer list)
LeBlond Factory OEM Manuals
Large Quantity of Assembly and Part Prints
Electrical Prints for LeBlond Models
Engineering and parts drawings for the Large Servo Shift modification to handle shifting kits
List of Sub-Contractors Experienced in LeBlond Lathes.

Parts: (NEW)

(2) Servo shift pump motor assemblies
Lot) Servo shifter pistons, slide parts
Lot) Heavy Duty shifter Mod Kit parts (servo to handle shift)with engineering dwgs.
(3) Pulleys
Lot) Cross slide screw/nut/handles
Lot) Apron Parts/gears/bronze bushings and stock
Lot) Way wipers and material
Brake Assembly
(4) Rectifiers for brakes/clutches
(6) Leveling screws
(5) Half nut assemblies
(5) Gear Racks
(2) Faceplates 9" D Nose mount

Parts: (USED)

Lot) Headstock Gearing
(3) Regal Tailstock bases with clamps
(4) NF/NK Heavy duty Servo shifters and Parts
(5) Regal Servo shifters
NF Heavy Duty Tailstock (minus nose bearing pack)6" Quill
(2) Taper Attachments plus one for parts with main casting and two slides
(3) Steady Rests
(5) Screw support castings
(5) NF/NK tailstock/spindle bolt in centers
(3) Regal Tailstock quills
Regal Brake control panel
(1) Extended Regal cross slide casting, machined and scraped
(1) Tailstock Rack Gear Mover assy. and one Quill Worm gear for Large lathes (NF/NK)

Parts:CNC Machines(USED)

Lot) Encoders and mounts
(3) power track carriers Kabelschlepp and Igus for BARON CNC Lathes

P. 1

SERVICE/REBUILD EQUIPMENT (all factory equipment from LeBlond OEM factory)

- (7) Scraping Masters (Cross Slide, Compound, Swivel)
- (1) Surface plate for scraping masters
- (2) Carriage Scraping masters
- (8) Spindle Nose grinding masters A1-8/A1-6/A1-11/L2/L3/L4/D1-6/D1-8
- (1) Apron bevel gear Bore Machining fixture
- (1) 24" REGAL Tailstock and Headstock scraping /alignment master bed section
- (1) 4MT Spindle/ bearings checking fixture with Adjustable ball for camming/concentricity alignments
- (2) Spindle Install fixtures
- (7) Spindle/Tailstock Alignment Test Bar masters (Amer. Std and Morse tapers)
- (10) Spindle and Tailstock Internal Taper masters Plugs (Amer. Std and Morse tapers)
- (1) Spindle External Taper master Test Bar
- (3) Large Tailstock Quill Grinding mount plate fixtures 8" /10"/ 12" diam. Quills
